A system-wide war has killed off 99.9% of the human race; nuclear winter is slowly making the Earth uninhabitable; a radical group wants to finish the job on the remnants of humanity; the Brazilian space probes are still out there, still trying to blow up the competition; And the Bobs have discovered a spacefaring species that considers all other life as food. Bob left Earth anticipating a life of exploration and blissful solitude. Instead he's a sky god to a primitive native species, the only hope for getting humanity to a new home, and possibly the only thing that can prevent every species in the local sphere ending up as dinner. ...more For We Are Many (Bobiverse, #2) PDF ebook
