

**Anthony Bourdain: The Kindle Singles Interview** From his drug-addled youth (â€œI wanted to be a heroin addict long before I could get my hands on any heroinâ€•) to the crowd-sourcing of food criticism (â€œthe chickens have gnawed their way through the chicken wireâ€•), author-chef-television host Anthony Bourdain lets loose on himself and the food world. From his drug-addled youth (â€œI wanted to be a heroin addict long before I could get my hands on any heroinâ€•) to the crowd-sourcing of food criticism (â€œthe chickens have gnawed their way through the chicken wireâ€•), author-chef-television host Anthony Bourdain lets loose on himself and the food world in a wide-ranging and provocative Kindle Singles Interview. In between jet-setting expeditions for new episodes of his hit CNN series, â€œAnthony Bourdain: Parts Unknown,â€• the bad-boy chef sat down recently for lunch at a New York bistro and served up an extended conversation, medium rare, covering all aspects of Bourdainâ€™s extraordinary life. The interview was conducted by David Blum, who works for Amazon as the editor of Kindle Singles. Blum began his career as a staff reporter for The Wall Street Journal, and has been the editor-in-chief of The Village Voice, the New York Press and O2138 Magazine. He was previously a writer and editor at The New York Times Magazine, and a contributing editor at New York and Esquire magazines. He has written two books: "Flash in the Pan: The Life and Death of an American Restaurant" (1992), and "Tick...Tick...Tick...: The Long Life & Turbulent Times of 60 Minutes" (2004).
